The ESUP Portail community

Inaugurated in late 2002
5 universities; about 20 developers

Today (December 2006)
76 institutions; 300,000 users
9 regional digital universities (out of 11)

In the future
More than 1,000,000 users

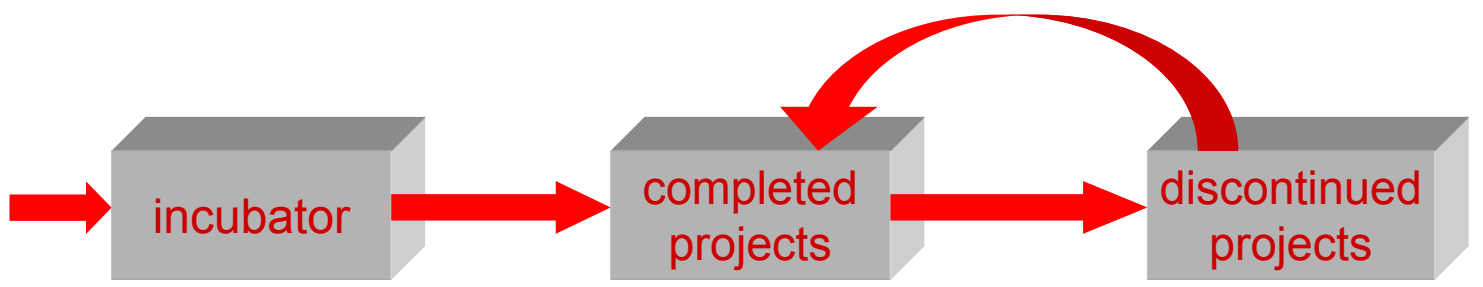
Providing tools to universities
Application development

Modifications integration

Supporting the community
Mailing lists
Training
Documentation

Federating the efforts
Two meetings a year
(the ESUP-Days)

The ESUP-Portail projects



Developments around JA-SIG products

uPortal-esup
uPortal quick-start

phpCAS
perlCAS (CRU)
pam_cas-esup

CAS Generic Handler
CAS quick-start
mod_cas-esup

Other internationalized developments

Slide-based
WebDAV server

CASified Horde (IMP)

esup-helpdesk
esup-print
